

Third Grade Newsletter

Reviewing This Week's Learning...

This week in math we reviewed equal groups and learned procedures for Sprints. In writing, we learned about how to use voice and ideas within our writing.

For shared reading we read Recess Queen, The Day the Crayons Quit, and The Day the Crayons Came Home.

We also began using SeeSaw to show our learning. Be sure to check your child's SeeSaw to see their work from this week.

SeeSaw

Students will be using SeeSaw as their Learning Management System for third grade. Students have been practicing how to use SeeSaw daily. If you haven't already joined our class click the join links listed below.

Share and Shine

One way we connect with each other in our class is by doing Share and Shine during our morning meetings. Please see the document for when your child will do share and shine. Next week will be week 1.

Learning for Next Week... Reading

Next week we will be revisiting Recess Queen. We will review story elements such as character and plot. We will also be reading Fantastic Elastic Brain to learn about growth mindset, the three zones of regulation, and how our brains work.

Writing

Writing will focus on word choice, voice, and sentence fluency. For grammar, we will be mainly focusing on sentences to aid with sentence fluency in writing.

Math

Math for next week will continue multiplication and making arrays. A practice data point will be entered into Teacher Ease.

Science

States of matter are on the agenda for next week's learning.

Social-Emotional Learning

Coming up next week we will be discussing and practicing Being a Respectful Learner. Students will have a daily practice of the skills and a reflection using SeeSaw on Friday.
