Protective Measures Continued

Handwashing

Our daily schedule allows for hand washing & sanitizing between subjects and activities.

Sanitizing Surfaces

Staff/teachers will regularly use Rejuvna1 to sanitize surfaces including tables, desk, and other commonly touched surfaces.

Learning Materials/Supplies

Students will be using their own learning materials. Examples: pencils, dry erase markers, clipboard, math manipulatives, etc.

Reminders

Please ensure that your child has a personal water bottle and 2 masks at school each day. They will be encouraged to take these items home daily to be washed and sanitized.

Please label all school supplies with your child's initials. Supplies may be put into your students pencil box. Please place extra supplies in a large zip lock baggie. If this is not possible we will provide a baggie on the first day of school.

We will be having a snack everyday. Please make sure your child brings a snack. We will not be able to share snacks at this time. It's helpful to ensure that snacks are easy to open and can be eaten within 5 minutes.

In third grade your
child will be
utilizing SeeSaw
as their learning
management
system.
